STARHEART

One-Page Service Overview

Helping more people find you — and stay.

Starheart helps churches strengthen their online presence, welcome and follow up with new people, create useful weekly content, and manage Google Ad Grants when eligible. One coordinated growth-and-retention system, not just social posts.

Start with a free digital checkup. We review your website and local visibility, how new people connect and receive follow-up, and your preliminary Google Ad Grants eligibility. You keep the written findings, whether or not you work with us.

Monthly plans — no contract; cancel anytime

Plan	Monthly	Included
Found	$279	Website care, local presence basics, 3–5 posts/week, connection-card system, email follow-up and consent-based SMS (up to 500 texts/month after carrier registration), written 90-day plan and bi-weekly people-action reports.
Found & Followed — Recommended	$479	Everything in Found, deeper email/SMS follow-up journeys, weekly message clip set within the content cadence, quarterly strategy review.
Full Service	$649	Everything above, up to 7 posts/week with a weekly minimum of 3 clips/reels + 1 quote graphic + 1 carousel, cleaned podcast audio, personal follow-up prompts, priority support.

All plans: client owns accounts, data, and content; a written 90-day plan and a bi-weekly report focused on meaningful people-actions, not vanity metrics. SMS begins only after A2P 10DLC registration and explicit consent.

Google Ad Grants management — optional

Starting path	One-time setup	Monthly management
Standalone	$495	$379
Bundled with a plan at signup	Waived ($0)	$299
Added to a plan later	$295	$329

Application Help only: $279 one-time (application preparation/support, not campaign build or ongoing management). Eligibility and approval are Google's decision. Google may provide eligible organizations up to $10,000/month in in-kind Search advertising; this is not Starheart revenue, cash, or a promise of utilization. Campaigns may include worship services and service times; approval and reach are never guaranteed, and Google may limit the reach of religious-content ads.

Founding Partner offer: First 20 clients lock their starting rate for 24 months. 20% off the first 90 days — this discount does not stack with annual prepay (two months free); you choose one or the other. Optional annual prepayment: two months free, with pro-rata refund policy.
